## BOOK SYNOPSIS

Susan wants Ethan, and Chris wants Sue. Drawn to Ethan and intrigued by Chris, Susan Miller finds herself caught between identical twin brothers who attend the same school as she does. This should work out wonderfully in her favor. The only problem in that awkward triangle: Chris wants Susan for the completely wrong reasons. Nothing like his obliging and sweet brother, Chris Donovan has trouble written all over him. He changes his girls like other guys change their t-shirts, and his next trophy on his little black list is Susan. Frankly, that's the last thing she wants, but for some reason she can't explain, she finds herself responding to all the goodnight texts and other cheeky messages Chris sends her. The guy has a way of getting under her skin like no one ever has before. How long until she falls for his smooth charm and gets herself into more trouble than she can possibly handle?
