BOOK SYNOPSIS

This book is written exclusively for the internet by the international best-selling author Paulo Coelho. "The Way of the Bow" relates the story of Tetsuya, the best archer of the country, who conveys his teachings to a boy in his village. Throughout the story, several essential thoughts are reflected: our daily efforts and work, how to overcome difficulties, steadfastness, and courage to take risky decisions. Paulo Coelho has managed to express in these pages many of the values which inspire our daily work: innovation, flexibility, adaptation to changes, enthusiasm, and team work.
