## BOOK SYNOPSIS

This translation, supported by the Japan Foundation, makes a strong claim to be the definitive translation of the 95 chapter edition of Shobogenzo, the essential Japanese Buddhist text, written in the 13th century by Zen Master Dogen. Shobogenzo Book 4, the final book in this four volume set, contains chapters 73 to 95, plus two additional chapters in the Appendices. Well-known chapters include Dai Shugyo (Great Practice); Shukke (Transcending Family Life); and Shoji (Life and Death). Book 4 maintains the highest standards of translation, with a clear style that rigorously follows the original words of Master Dogen.
