## **BOOK SYNOPSIS**

French cakes are among the most luscious and spectacular in the pantheon of cake baking. In *The Art of the Cake*, authors Healy and Bugat simplify the art form and bring together more than 100 classic cakes, from the Marquis (kirsch-soaked chocolate genoise cake rounds stuffed with ripe peaches and whipped cream) to the Moka, made from vanilla genoise brushed with espresso, filled with coffee buttercream, and topped with chopped roasted almonds. There are recipes for poundcake-, spongecake-, and meringue-based gâteaux, in addition to bavarians, charlottes, mousse cakes, and loaf and log cakes (like the classic Chocolate Yule Log). There are also over 40 recipes for frostings, glazes, sauces, and fillings. In addition, there are detailed ingredient and equipment sections, and comprehensive instructions on general baking techniques—everything from separating and whipping eggs to working with a pastry tube to the correct way to temper chocolate. The more than 400 step-by-step illustrations (penned by Paul Bugat) that accompany the recipes and the 32 pages of color photographs of these magnificent cakes will be enough to tempt any baker, amateur or pro, into the kitchen.
