BOOK SYNOPSIS

Discover the secrets of great baking with Scandilicious flair... Scandinavian baking is among the best in the world. Deeply ingrained in the culture, it is a distinctive part of the Nordic identity, history and well-being. Welcome to a world where cakes made with real butter are celebrated rather than feared, where entire festivals are dedicated to baking and where it is believed there is nothing quite like the thrill of making ones own bread, Christmas biscuits or cardamom buns. Following on from the success of SECRETS OF SCANDINAVIAN COOKING...SCANDILICIOUS, Signe Johansen shares with us a mouth-watering selection of traditional and modern baked treats. Think moreish mj̄sli bread hot from the oven; pumpkin, cheese and sage muffins that pack a real flavour punch; and irresistible redcurrant mazarin tart or upside-down blueberry cake - perfect for summer entertaining. Dipping into seasonal fare, and finishing with a chapter on Christmas treats and gifts, SCANDILICIOUS BAKING will soon become a kitchen favourite.
